

Liaison Reports – Ron Bomhoff

LRSP Committee –

- There was extensive discussions about collecting information on proposed projects, what information is necessary for evaluation and forms to use for this purpose.
- The GM agreed to provide the committee a list of “major” projects that are being planned and in progress.
- The Committee will assist with a survey that the GM desires regarding the possibility of LOP creating its own Internet Service Provider.
- The Committee discussed when and how to recommend addendums to the Long Range Strategic Plan. The Plan calls for review every 3 to 5 years.

Facility Renovation Committee

- Committee is waiting for direction from the Board.

Governing Documents Committee

- Committee is waiting for direction from the Board.

Wildlife Management Service Team

- They have received the Egg & Nest Depredation Permit and are currently doing lake surveys to locate the nesting pairs.
- They have received limited response on the application for the Federal Goose Depredation permit.
